I have been reading your article on the bactus plant, "bactaceae of the Boundary", in the M. S. Mexican Boundary Survey, published by the government in 1859.

Can I find it separately, that is in a volume by itself? Or have you written any

fater papers er works on the subject, and if you have, where a how can I abtain one or

more!

I shall ful greatly obliged if you will form me with the information I desire,
